1. RESULTS

a. 8/2/91 at la Arena Coliseo in Mexico City, Distrito Federal, Mexico (Galavision card)

- 1. Video:** Ray Mendoza and Rodolfo "el Cavernario" Galindo defeated el Pantera Blanco and Hector Galindes two falls to one when Galindes inadvertently fouled Mendoza in the third fall (from 1964).
- 2. The Segunda:** Tony Arce, el Vulcano, and la Bestia Salvaje defeated el Volador, el Misterioso, and Juan "el Huracan" Sevilla two falls to one in a total elapsed time of 23:11.
1: Volador pinned Salvaje with a flying head but in 14:35.
2: Arce pinned Sevilla with a samoan drop in 2:45.
3: Vulcano pinned Sevilla with a flying butt drop from off of the top rope in 5:51.

Notes: A really technically good match, though a lot was hold versus hold. Salvaje looked great and even did a big dive onto Volador at the end, but the camera missed it.

3. Cartometro del Ring for 8/4/91:

- | | |
|------------------------------|--|
| 10: el Hijo de ? | 9: Mascara Ano Dos Mil |
| 8: Octagon | 7: el Rayo de Jalisco junior |
| 6: la Mascara Sagrada | 5: Cien Caras |
| 4: Lizmark | 3: Atlantis |
| 2: Konnan el Barbaro | 1: Casanova el Vampiro Canadiense |

- 4. The Tercera:** la Nueva Ola Blanca: el Angel Blanco junior, el Gran Markus junior, and el Medcio Asesino junior, defeated el Dandy, Ringo Mendoza, and el Pirata Morgan two falls to one in a total elapsed time of 19:32.
1: Dandy pinned Asesino with a dandina in 11:16.
2: Markus pinned Mendoza with a karachi cruch in 4:04.
3: Markus pinned Dandy with a diving body press from off of the top rope in 4:12.

Notes: Only fair; most of the Blanca was off; Arce/Vulcano /Salvaje did the same spots much better. There were nice dives by the faces at the end. The funniest sight was seeing little el Dandy bully big Gran Markus all night. **

- 5. Interview:** Raul Sarmiento interviews la Mascarita Sagrada and Ringo Mendoza when el Piratita Morgan interrupts and attacks Sagrada.

- 6. The Semifinal: Midgets: Mascara contra caballera:** la Mascarita Sagrada defeated el Piratita Morgan two falls to one in a total elapsed time of 12:39.
1: Morgan pinned Sagrada with a diving body press from off of the top rope in 1:22.
2: Sagrada won by count out in 3:09.
3: Sagrada pinned Morgan with a rolling senton in 8:08.
Notes: Sagrada and Morgan were seconded by their

namesakes. Morgan turned back heel after the match as he was protesting his namesake's loss. Morgan worked his ass off the whole match and looked even better than Sagrada, who is normally the shining light here. **1/2.

7. The Main Event: The Blue Panther, Javier "Tijeras" Cruz, and Emilio CHARLES junior defeated Apolo Dantes, Octagon, and Atlantis two falls to one in a total elapsed time of 15:43.

1: CHARLES made Atlantis submit to a backbreaker in 7:54.

2: Octagon made CHARLES submit in 4:49 to his usual neck stretcher off the russian leg sweep submission hold.

3: Panther made Atlantis submit to the Signo Special (!) in 3:00 even.

Notes: Dantes and Cruz worked well together and Cruz bled a lot. This is the best men's feud in the world right now once you consider Japan doesn't have faces and heels. When they blow this off it'll have the fans in a riot. Panther also is obviously about to get a shot at Atlantis's belt (and probably win it, too). Panther has looked better but really this was a good match to follow a stipulation match. ***.

P.S. This means Cruz did beat Valaguez in the hair match 8/1 in Cuernavaca.
